

# Where Can I Go For Help?

## Your Academic Advisor

That may be Kira Gosh (kmg56@pitt.edu) if you are in the Freshman Engineering Program, or it will be the Undergraduate Director/Coordinator in the major of your choice, if you have already chosen your major.

## Your Professors

Use your professors' office hours if you need help or have questions. They welcome questions from undergraduate students and expect to see you if you are having problems. USE THEM!
